General Background Information on the Altitude Awards

We get local business behind the awards via sponsorship of categories and major sponsors to spearhead the awards.

This year our major Sponsors are:

COMMONWELATH BANK

THE TAPPING INSTITUTE

DIGITAL AGE

Women with Altitude & The Men's Altitude Network exists to connect professional women and men including business owners, managers and entrepreneurs together to collaborate, partner for growth and learn and encourage one another on an authentic and accepting level.

This is the 6th Annual Awards.

We provide inspiration, encouragement, support and experience. Our members range from sole operator or business partnerships that have only been in business for 12 months, right up to business owners in business for 17+ years and up to 25 staff.

Our philosophy is an abundant one. There is plenty of business for all. We work to share knowledge and experience.

The awards are one of our main programs each year. It is open to members and non members alike. Not all entrants make it to the finals and we have an independent judging panel made up of experienced entrepreneurs plus representatives of community and business from outside our region to take part in the judging process.

This year's winners will be announced on the 1st June at LCC Event Centre in
